Elementary

Watch the video and answer the questions:

<https://www.youtube.com/watch?v=1N7PP3yf6no>

Why is the boy doing the household chores?

What is he writing in his notebook?

The boy has written the time it has taken for him to do the chores and the total time of 120 minutes. Why do you think he has written this?

How does the film make you feel?

How does the mother feel?

How would you describe the boy?

The film is an actual advert for an insurance company. Does this change the way they feel about the film?
